Set in a peaceful rural location on the borders of Dorset and Wiltshire, Whitebridge Farm is ideally placed for enjoying a family holiday. Many cycle ways pass nearby and there are numerous waymarked walks to choose from, including the half hour Shaftesbury town trail, leading to the famous Gold Hill with its magnificent views.

Anyone with an interest in historic houses and gardens, will enjoy Stourhead (NT) and nearby Longleat or Wilton. An hours drive leads to Bath, Salisbury and Cheddar caves and gorge, each offering something different. No visit to this region would be complete without seeing Stonehenge and the ancient Avebury Ring.

Alternatively, those seeking some seaside diversions, will find that Weymouth is a fine resort for fishing, sailing and swimming. This part of the Jurassic coast is home to numerous natural rock formations and the famous fossil grounds at the Isle of Purbeck.

Set in 10 acres, Whitebridge Farm Cottages are grouped around an attractive grassed courtyard adjacent to the owners Victorian Farmhouse (built in 1872). Old beams have been retained wherever possible and all the cottages and barns have en-suite facilities. Each cottage has its own front patio, perfect for a BBQ, al fresco dining or just relaxing. On the farm, there is a laundry and a games room with table tennis, table football, snooker/pool and darts as well as books, games and puzzles.

There is a trampoline, play frame (supervised use please) netball hoop and football goal.

For the duration of your stay, a special FREE MEMBERSHIP is offered at the nearby leisure centre at Motcome Park. Facilities include a heated swimming pool, sauna, tennis courts, squash courts, table tennis, a pay and play 9 hole golf course and use of the gym. Please bring your own pool towels (available to hire at the farm).

All our cottages have either their own central heating system or night storage heaters.
